COMMODORE
DR. SAM HAYNES

As I move towards the finish line of my tenure as Commodore of the CYCA I am immensely proud of what the Club, our Members, volunteers and staff have achieved over the last 24 months. Whether it be on the water, or off, we have continued to make improvements in many areas that will help foster future success as we strive towards our vision of being the world's leading ocean racing yacht club.

Around the Club

Over the last 12 months the CYCA has achieved a great deal around the Club in terms of governance growth, infrastructure improvements and social cohesion, all aimed at providing value for our most important asset – our Members.

We launched our 2026-2028 Strategic Plan to deliver on our vision to be the world's leading ocean racing club following more than a year of research and development through a structured workshop process aimed at aligning the Club's sailing ambitions with a commercially viable and sustainable business model. The Strategic Plan draws on financial and membership data, market benchmarking, and collaborative input from both Board and Management representatives, before being socialised and refined through Member feedback. The plan contains four strategic focus areas:

- World-Leading Sailing Experiences
- Engaged and Active Membership
- Empowered People Embracing Innovation
- Financial Sustainability

The Strategic Plan can be found in the Financials & Governance section of the Member Portal, and we invite Members to take a look.

It is a roadmap to sustained success for our Club that we all should be extremely proud of. It took a lot of work from many dedicated people to get to this point – and now the hard work starts. I have every confidence in our Board and Management teams to integrate this plan into our everyday thinking and operations to deliver for our Members.

After some challenges, the Lower Deck rebuild was completed and has again become one of the centrepieces of our venue. The supporting structure and flooring were replaced or upgraded and the results, I am sure you will agree, are simply stunning. A massive thanks to our Operations team for diligently working through each and every speedbump to achieve this outcome.

Over summer the deck played host to countless enjoyable social gatherings, from casual dining and watching the Australian Open tennis, to post sailing celebrations and the new Aperol Sunset Sessions on Friday evenings. Our F&B team is working hard to introduce new offerings that bring value to our Members and enhance the Club experience for all.

December saw the return of a bigger and better Sydney Race Village hosting a range of events. The 80th Clubhouse Crew

2025/2026

COMMODORE'S REPORT

Party was no doubt the social highlight of the month with 800 members of our community attending a night that showed why the Rolex Sydney Hobart and the CYCA is the focal point of the sailing world at this time every year. With live music, outstanding food from our partners at Dedes Waterfront Group, beverage offerings for everyone, and most importantly, a great opportunity to connect with fellow sailors and friends, the Crew Party was a huge success. Thanks to the Membership Engagement Committee and staff for driving this.

In July we held our first CYCA Season Opener aboard the luxury vessel Eclipse for an unforgettable afternoon of sailing action, social connection, and CYCA hospitality to watch the start of the Noakes Sydney Gold Coast Yacht Race. The festivities continued off the water back at the Club with live music and a signature cocktail bar. This is a great social event for Members and guests to attend.

We continued with our Blue Water Sunday Sessions over summer, growing from one event in 2024/25 to four this season, with crews coming together to catch up on the most recent race and share stories from the water. These events are open to all Members and guests and are a great way for Social Members to catch up with our Sailing Members and crew.

Two of the Club's most important initiatives continued to thrive, with our free Concierge Program and Crew Connect evenings helping open the pathway for new sailors and link our yacht owners to potential crew. The more sailors we have coming through our pathways, the stronger our Club will be. I encourage all owners to embrace the Crew Connect program, strengthening your pool of crew and helping build relationships between new and future Members of our Club with the sport.

The Associates Committee was continuously active, giving of their time to organise and host Social Tuesday's, the Children's Party, the Christmas Hamper Fundraiser, trivia nights and more. Thank you to Pam Messenger (President) and those involved.

Financially, the Club had a satisfactory year returning a revenue of \$14,467,952 (Prior \$14,500,866). The EBITDA was \$2,101,189 (Prior \$2,057,014). The Net Profit / Loss saw a Profit of \$6,814 (Prior Loss \$37,737).

On the Water

It would be remiss of me not to start this section of my report by focussing on the momentous achievements of Jiang Lin and Min River in the 80th Rolex Sydney Hobart Yacht Race.

By becoming the first female skipper to lift the Tattersall Cup and simultaneously become the first double handed winner with her co-skipper aboard Min River, Alexis

(L-R) CYCA Commodore, Dr Sam Haynes; Alexis Loison; Jiang Lin; Rolex Australia MD, Eduardo Maclean

Loison, Jiang etched her name among the greats of this iconic race. Congratulations again to Jiang and Alexis.

Several years ago, as a Sailing Committee member and later the Chair, I was part of a group at the CYCA who made the decision to create a focus around the double handed division, with a view that it would increase access and participation in our sport and in the Rolex Sydney Hobart. The results now clearly demonstrate this. The club's racing now features an important cohort of double handed competitors, proving that our vision in 2018 to bring the discipline into our races was the right course.

The 2025 Rolex Sydney Hobart itself again lived up to its reputation as one of the world's most challenging offshore events. The 128 strong fleet left Sydney Harbour on Boxing Day in a hurry and then faced 48 hours sailing upwind in uncomfortable conditions that forced the retirement of 28 yachts. Certainly, one of the tougher races in recent history

The battle for Line Honours was closely contested, ultimately won by Matt Allen and James Mayo aboard Master Lock Comanche, who were challenged throughout by Christian Beck's LawConnect and Seng Huang Lee's SHK Scallywag 100. On the final morning of the race for the John H. Illingworth Challenge Cup four yachts were in contention.

A big congratulations to all competitors. Taking on the Rolex Sydney Hobart is a challenge you all should be proud of. Thank you to our finishing partner the Royal Yacht Club of Tasmania, to Commodore Nick Hutton, and their staff and volunteers for now over 80 years of support.

Finally, a huge thanks once again to Rolex for their treasured sponsorship of the race. This year we welcomed new Rolex Australia Managing Director Eduardo Maclean to our race, and it was a pleasure to share with him the event we are so proud of. The partnership between Rolex and the CYCA is as strong as

Credit: Rolex | Andrea Francolini.

COMMODORE'S REPORT cont.

it is enduring, and we look forward to continuing to grow the race together.

Circling back to the start of the season, the 2025 LGT Crestone Winter Series (now the LGT Wealth Management Winter Series) again provided some great racing with solid fleets competing around Sydney Harbour each weekend. This well supported series is a major part of our annual sailing program and a great way to enjoy a Sunday on the Harbour. The Women's Winter Series races continue to be a highly popular and competitive feature of the series, attracting talented female skippers and crews.

The Audi Centre Sydney Blue Water Pointscore began in July with the traditional season opener, the Noakes Sydney Gold Coast Yacht Race that was won this year by Smuggler, with Wild Thing 100 taking Line Honours. A big shout out to Sean Langman and the team at Noakes for their partnership

The Blue Water Pointscore is the cornerstone of our offshore racing program, starting with the race to the Gold Coast and culminating in the Rolex Sydney Hobart. I'd like to recognise the Overall and Line Honours winners of each race:

Race	IRC winner	Line Honours
Noakes Sydney Gold Coast Yacht Race	Smuggler	Wild Thing 100
Flinders Islet Race	Moneypenny	URM Group
Tollgate Islands Race	Moneypenny	URM Group
Bird Island Race	URM Group	Master Lock Comanche
Cabbage Tree Island Race	Celestial V70	Master Lock Comanche
Rolex Sydney Hobart Yacht Race	Min River	Master Lock Comanche

The winner of the 2025/26 Audi Centre Sydney Blue Water Pointscore was Ronald Epstein's Bacchanal – a

victory built on consistency and commitment, with Ron and most of his crew commuting between the US and Sydney for each race. Congratulations on winning the Jack Halliday Perpetual Trophy. Bacchanal is the first foreign boat to win the Blue Water Pointscore, and the first boat under 40 feet to do so since the 1990s. Epstein's achievement also saw him win the CYCA's Ocean Racer of the Year award.

Thank you to every competitor that raced across all six races in the Blue Water Pointscore.

Our twilight series' were again well supported this season by our Members, offering accessible, enjoyable racing and a great way to break up the work week. This year long term partners Club Marine sponsored the Monday Twilight Series, and we thank them for their support. A special thank you to our prize partners, Bondi Liquor Co. and Sydney Brewery, whose ongoing support added to the fun and celebration at post-race presentations.

Network Marine Insurance (now Network Insurance House) became the partner of the Summer Short Offshore Series and the racing offered an ideal opportunity for those who enjoy coastal and offshore racing without necessarily wishing to commit to the full Blue Water Pointscore. This series is the ideal stepping stone for those wishing to progress to longer offshore racing.

The Sydney Harbour Women's Keelboat Series continued to shine, drawing fantastic enthusiasm and strong participation from across the sailing community. Spanning seven exciting races, the series is proudly hosted by a range of iconic yacht clubs, including CYCA, Royal Sydney Yacht Squadron, Manly Yacht Club, Royal Australian Naval Sailing Association, and Middle Harbour Yacht Club. Competitors enjoyed the flexibility to race with either a full female crew or a female helm, as well as the choice between spinnaker and non-spinnaker configurations. Designed to inspire and support greater

female involvement in competitive sailing, the series is playing a vital role in growing a vibrant and inclusive sailing scene on Sydney Harbour.

Classic yachts are an ongoing reminder of our heritage and once again the CYCA hosted the Great Veterans Race in May and Sydney Hobart Classic Yacht Regatta in December, bringing together a stunning array of classic yachts. This year Club Marine and Red Mill Rum partnered with the Classic Yacht Regatta, with the highlight of the prizegiving being a speech by then 99-year-old Gordon Ingate OAM, who competed in his Wally Ward-designed Jasnar (built in 1947). It was a full-circle moment for Ingate, who sailed his first Sydney Hobart on board Jasnar in 1950, when he was 24 years old.

Our Youth Sailing Academy continued to represent the CYCA admirably on the world stage and there are some very impressive results noted elsewhere in this annual report.

Most pleasing however is the level of participation across all parts of our Pathway. Our school holiday and Women's Training Programs are selling out, we had 71 sailors participate in Winter Squads and 35 current and past YSA sailors competed in the 80th Rolex Sydney Hobart. The future is bright, however the Board is aware the need to keep nurturing our young sailing community.

Finally, I'd like to take moment to recognise something larger than those races in our local waters, the 2025 Admiral's Cup. After a 22-year hiatus the Admiral's Cup, considered by many to be the unofficial world championship of offshore sailing, returned to the international stage and it was only fitting that the CYCA was there.

Gordon Ketelbey's Zen was second in the AC1 division, with Sean Langman's Back 2 Black placing eighth in the AC2 division. Their combined efforts saw the CYCA team finish fifth overall against a fleet that included yachts hailing from Germany, the USA, New Zealand, Sweden, the Netherlands, Great Britain, Hong Kong, Monaco, France, Estonia and Italy. They returned with the trophy awarded to the highest placed Australian or British team and it will be proudly displayed at the Club for the next two years. Congratulations to Gordon, Sean and their crews, a huge effort to campaign at this level. We are incredibly proud of how they represented the CYCA.

One area that didn't turn out as hoped involved the postponement of the Club's inaugural Trans-Tasman Yacht Race. There were a number of factors that led to that eventuality and we look forward to taking the lessons from our planning and adding this race to our calendar in the future.

Looking ahead

The year ahead promises to be another exciting one for the Club as we start seeing the fruits of our Strategic

Plan, with a focus on Member Engagement and our sailing pathway.

Following Board approval, management has progressed detailed planning for an Offshore Academy, a key strategic initiative aimed at building participation, developing offshore capability and supporting the long-term sustainability of blue water racing at the Club.

Significant work has been undertaken across fleet selection, operating model, financial planning, program structure and governance, with a focus on delivering a scalable, safe and high-quality pathway from entry-level training through to advanced offshore experience. Engagement with potential partners, stakeholders and industry experts has also commenced, alongside early development of curriculum and scheduling. This is an exciting step forward for the Club and a meaningful investment in the future of the sport, positioning the CYCA to lead the development of the next generation of offshore sailors.

We will be working on enhancing value for our Members, encouraging new members to join the club and take part in our sailing programs, and increasing the number of exciting events and F&B offerings.

We have begun working on a Partnerships Strategy to help us maintain market relevancy and financial security, while uplifting our data collection, analysis and marketing capabilities.

Of course, the 2026/27 season will see CYCA continue to deliver the country's premier racing program, culminating in the 81st Rolex Sydney Hobart. From offshore challenges to twilight harbour fun, the calendar is designed to keep Members racing year-round. Our Sydney and Hobart Race Villages are also primed for exciting improvements to help elevate our great race from a one week sailing event to something far greater and befitting the history of the race and the Club.

As I prepare to end my tenure as Commodore and a member of the CYCA Board, I would like to extend my thanks to the many wonderful people that have made my role such an enjoyable and successful time.

To my fellow Board members and those on the Sailing; Audit, Planning & Risk; Member Engagement; and Premises Committees – your hard work and commitment never went unnoticed. To our volunteers, and most of all, our almost 3500 Club members, hearty thanks for your ongoing support and dedication to the CYCA.

Finally, I'd particularly wish to acknowledge the work of our management team and staff. Led by Justine Kirkjian (CEO) and the department heads: Brandon Punter (CFO), Tara Blanc-Ramos (Sailing), Fiona Cole (Administration), Marina Gibson (Membership), Tim Ander (Operations), Rebecca Fleet (Functions), and Dave Lyall (Marketing & Comms) we as a club are well served. Thank you.

2025/2026 TREASURER'S REPORT

Treasurer J. Hall

The Year in Review

The financial performance of the Club for the year ended 31 March 2026 has remained resilient, maintaining the Club's strong financial position and providing a solid platform for future investment and growth.

Total Revenue for the year was \$14,467,952, broadly consistent with the prior year's record result, reflecting the continued strength of membership, Marina operations, sponsorship and sailing activities despite broader economic pressures and a more challenging operating environment.

Earnings Before Interest, Tax, Depreciation and Amortisation (EBITDA) again exceeded \$2 million, demonstrating the Club's continued operational discipline and effective cost management while maintaining investment in member services, sailing programs and facilities.

Net cashflow from operating activities improved to \$2,185,936, with \$1,641,664 reinvested into capital works and technology enhancements across the Club. Key investments included the replacement of the Club's lower deck, improvements to our Marina and boating assets, and continued investment in digital infrastructure and operational systems.

After depreciation and lease financing costs, the Club recorded a modest operating profit of \$6,814, representing a pleasing turnaround from the prior year's small deficit.

Membership concluded the year at 3,444 Members, a strong result given ongoing cost-of-living pressures and increased competition for discretionary spending. The continued loyalty and engagement of Members remains one of the Club's greatest strengths.

Importantly, the Club maintained its debt-free position throughout the year, while continuing to strengthen its balance sheet and invest in long-term infrastructure and Member amenity. Net assets increased slightly to \$5.99 million and the Club remains well positioned financially for the future.

The Year Ahead

Looking ahead, the Club will continue to focus on delivering against its strategic priorities while maintaining financial sustainability and investing in initiatives that strengthen member engagement and the Club's position as a world-leading offshore sailing organisation.

Key projects and areas of focus for the ensuing year include:

- Continued investment in Club facilities and infrastructure to enhance the Member experience and support long-term operational efficiency.
- Ongoing refinement of food & beverage operations to further improve service delivery, Member satisfaction and commercial performance.
- Delivery of the 81st Rolex Sydney Hobart Yacht Race and associated initiatives, continuing to elevate the profile and impact of the race globally.
- Continued investment in digital platforms and communications, including the rollout of new Club and race websites to enhance Member and stakeholder engagement.
- Expansion of Member engagement initiatives and events to strengthen participation across owners, crew and social Members.
- Ongoing support for the Youth Sailing Academy (YSA), Safety of Life at Sea (SOLAS) Trusts and the development of the Offshore Sailing Academy (OSA), reinforcing the Club's commitment to sailing participation, education and safety.

In closing, I would like to thank the Board, management team, staff, volunteers, Members and sponsors for their continued commitment and support throughout the year. The Club remains in a strong and stable financial position, and we look forward to another successful year ahead.

Financial Summary

For Members' ease of reference and comparison, I have summarised certain key financial information as to the Club's performance and position over the last five years.

	FY 2026	FY 2025	FY 2024	FY 2023	FY 2022
Income Statement					
Operating Revenue	14,467,952	14,500,866	13,543,040	11,108,405	8,851,471
Cost of Sales	(1,708,440)	(1,865,593)	(1,666,310)	(1,024,399)	(588,548)
Other Income	44,806	74,587	95,915	290,172	287,867

Number of members	3,444	3,502	3,544	3,498	3,348

2025/2026 AUDIT PLANNING AND RISK COMMITTEE REPORT

Rear Commodore P. Gothard, Chair

The Audit Planning and Risk Committee has three broad functions:

- to liaise with the Club's external auditors in their review of the Club's operations, its internal controls and financial statements;
- to assist management and the Board in planning for the future of the Club; and
- to identify and assist in the management of risks, including financial, operational, sailing, legal, compliance and technology risks.

The members of the APRC are selected to have a broad range of skills necessary to undertake this function.

There were some changes to the composition of the Committee during the year with two members stepping down – Mark Dagworthy due to work commitments, and Matthew Leung, who has moved overseas. We thank Mark and Matt for their invaluable contribution over the past year.

The Committee currently comprises 10 members including 5 members of the Board. The current members of APRC are:

- Peter Gothard, Rear Commodore CYCA and Chair
- Greg Antipas, Director CYCA and Deputy Chair

Sydney Harbour Women's Keelboat Regatta. Credit: CYCA | Ashley Dart.

- Prof. Sarah Hosking, Director CYCA
- Tom Barker, Director CYCA
- Amanda Cook, Director CYCA
- Shane Connelly
- Alexander (Sandy) Flecknoe-Brown
- Matthew Hundt
- Francesca Leverkus
- Steve York

Committee meetings are actively attended by Commodore Sam Haynes, CEO Justine Kirkjian and CFO Brandon Punter, and ably assisted by our Administration Manager Fiona Cole.

The work undertaken by the Committee during the year included the following:

Audit

- Working with management and the Club's external auditors in reviewing the Club's internal controls and the preparation of the financial statements for the year ended 31 March 2026.
- Reviewing and approving the Club's Annual Report.

Planning

- Reviewing the budget set for the upcoming year set by management and making recommendations to the Board as to its adoption.
- Working with management on longer range financial and operational plans for the Club including the development of a medium-term financial model and capital expenditure budget.
- Reviewing the capital works programs undertaken during the year, including most notably the upgrade of the lower deck.
- Implementing procedures to manage the long-term financial sustainability of the Club.
- Reviewing the Club's sailing related documentation - notices of race, sailing instructions and race management plans which are developed by management and the Sailing Committee.

Risk and Compliance

- Working with management to prepare and review a refresh of the Club's risk management matrix.
- Reviewing incident reports from racing activities and any recommended changes flowing from any incident reviews.

-
- The continued review and updating of the Club's policies and procedures.
 - Reviewing and assessing our insurances to identify risk exposures and whether these are adequately covered.
 - Working with management to ensure that Club's compliance with its various legal and statutory requirements.
 - Ensuring compliance with workplace health and safety and other important regulations.

The members of APRC have worked with dedication and diligence during

the year sacrificing much of their personal time to ensuring that the Club operates in a safe and compliant manner. I would like to sincerely thank them all for their efforts and their contribution to the Club during the year.

I would also like to thank our Commodore for joining our meetings and Justine, Brandon and the whole management team for the hard work and hours they put into managing our Club so successfully.

2025/2026 MEMBER ENGAGEMENT COMMITTEE REPORT

J. Hall, Chair

The purpose of the Member Engagement Committee is to maximise member engagement with the Club's activities, ensuring the membership experience is relevant and valuable to present, past and future Members. The specific areas of responsibility span Club events and social activities, membership, marketing and member communications, capturing the legacy of the Club and fundraising.

As in previous years, we have continued to apply a member-centric lens to our work, recognising the distinct needs of owners, crew and social members. This framework enables us to prioritise initiatives that deliver meaningful value across the breadth of our membership, the guiding principle of fewer, bigger, better remains central to our approach. By focusing our efforts on a smaller number of high quality initiatives, we aim to deliver a consistently strong member experience.

It has been another productive and progressive year for the Committee, with tangible improvements across digital platforms, member insights, communications capability and the Club's events program.

Digital and Communication Initiatives

A major focus this year has been the continued evolution of the Club's digital ecosystem. Building on the foundations laid in the previous period, we successfully refreshed and launched new look websites for both the Rolex Sydney Hobart Yacht Race and the Noakes Sydney Gold Coast Yacht Race. These platforms represent a significant step forward in how we present our flagship events to members and the broader sailing community. Work is well advanced on the Blue Water Pointscore website, which will complete this suite of upgrades in the coming period.

These developments are more than cosmetic. They reflect a broader ambition to deliver a world class digital experience that enhances engagement, improves accessibility of information and better showcases the Club's activities.

Complementing this, we have seen continued growth in the capability of the marketing and communications team. Over the course of the year, there has been a marked improvement in planning, processes and execution. Campaigns are more structured, communication is more targeted, and the overall quality of output has lifted. This has contributed directly to stronger engagement with Members and a more consistent representation of the Club's brand and activities.

Member Insights

One of the most important initiatives undertaken this year was the delivery of the first comprehensive all Member survey in many years. This represents a significant milestone in our efforts to better understand the needs, expectations and behaviours of our membership.

The survey has provided a robust evidence base to inform future decision making. It has validated many of our current initiatives while also highlighting opportunities for improvement across events, communications and membership value. Importantly, it reinforces the importance of continuing to segment our approach across owners, crew and social members, ensuring that we remain relevant to each cohort.

The insights gathered will play a critical role in shaping the Committee's priorities in the coming years, enabling us to be more deliberate and data informed in how we allocate time and resources.

2025 Rolex Sydney Hobart - Women in Sailing Night. Credit CYCA | Ashley Dart.

Events and Member Experience

The Club's house events program continues to play a pivotal role in strengthening member engagement, with several standout activations across the year.

The 80th Clubhouse Crew Party was a clear highlight. With 800 attendees on the night, it was one of the largest and most successful events in recent years. The scale and energy of the evening reflected the unique culture of the Club and the strong connection members have with the Rolex Sydney Hobart Yacht Race.

Crew Connect has continued to build momentum and relevance. Attendance exceeded 120 participants in

2025 Rolex Sydney Hobart - VIP & Skippers Launch. Credit CYCA | Ashley Dart.

September, reinforcing the importance of providing structured opportunities for owners and crew to connect. Its evolution into a biannual event reflects both the demand for and value of this initiative in supporting participation on the water.

The Season Opener, combined with the Noakes Gold Coast Yacht Race spectator experience, was another success. The event sold out and provided Members with a compelling opportunity to experience what the Club does best, offshore sailing. Creating these accessible entry points remains a key priority as we look to convert interest into deeper engagement.

Tales from the Rails has continued to grow in popularity, driven by its new relaxed and informal format. Attendance increased from 66 in 2025 to 90 in 2026, demonstrating strong appetite for storytelling and shared experiences that connect members to the spirit of offshore racing.

The Women in Sailing event was another standout, attracting more than 130 attendees. This initiative continues to play an important role in fostering inclusivity and supporting female participation within the Club. The strength of attendance and feedback highlights both its relevance and the opportunity to continue building on this platform.

In addition, we introduced Blue Water Sunday Sessions, held on Sunday afternoons following Blue Water Pointscore races. Given the spread of finishing times across the fleet, these sessions provide an opportunity for crews, friends and family to come together and

2025 Rolex Sydney Hobart - VIP & Skippers Launch. Credit CYCA | Ashley Dart.

80TH ROLEX Sydney Hobart Yacht Race - CYCA - Long Lunch. Credit: Salty Dingo.

share the experience in an inclusive and social setting. Early feedback has been positive, and we see strong potential for these to become a regular feature of the Club calendar.

Membership and Reciprocal Clubs

Expanding the value of membership beyond the Club itself remains an important focus. Over the past year, we have continued to grow our network of reciprocal clubs, providing members with increased opportunities to engage with the global sailing community.

New additions include Real Club Náutico de Palma, Howth Yacht Club, Yacht Club Italiano, Royal Cape Yacht Club and Royal Malta Yacht Club. These relationships not only enhance the value proposition for travelling members but also strengthen the Club's international connections and reputation. You can access the full list of reciprocal clubs on our website: <https://cyca.com.au/reciprocal-clubs>

We will continue to actively pursue new reciprocal arrangements, with a focus on quality and relevance to our membership base.

Looking Ahead

The progress made this year reflects a more mature and structured approach to member engagement. We have stronger digital platforms, better insights into our membership, improved marketing capability and a well-established events program that continues to evolve.

Looking ahead, the Committee will focus on embedding these gains and continuing to refine our approach. The member survey will inform more targeted initiatives. Our digital platforms will continue to evolve. And our events program will build on the momentum created this year, with an emphasis on quality, inclusivity and connection.

As always, none of this would be possible without the contribution of our volunteers and staff. Their commitment and energy underpin everything we do, from on water racing to off water events and the day to day running of the Club.

Finally, I would like to thank the members of the Committee for their continued commitment and contribution. It has been a highly productive year, and I look forward to building on this momentum in the year ahead.

HISTORY AND ARCHIVES COMMITTEE

D. Kellett AM, Chairman

The purpose of the History & Archives Committee is to preserve the historical documentation and artifacts of the Club while providing guidance and information on the DNA of the Club, the sailing and its Members.

There are many ongoing activities within the Committee, principally the Video Archive Project led by David Champtaloup and Peter Shipway, who continue to interview distinguished Members to record their history for all Members to view.

Another important undertaking has been the Digital Archive Project where all old records and documentation are being digitised for safe keeping. Our ongoing task, apart from co-ordinating the documents, is to make the data accessible to the Club's website.

The Committee also continue to assist the Club staff in the display of artifacts and trophies as well as answering many questions from Members and past Member's families for information on their loved ones.

During the past year, we have also received several gifts of old records, letters and magazines from Members, with information relevant to the history of the Club.

In closing I wish to thank the Committee members David Champtaloup, Julie Hodder, Chris Iacono, Martin James, Brad Kellett and Peter Shipway for their ongoing efforts, together with our consultants Tony Cable and David Colfelt, for sharing his vast knowledge of the Club.

Social Lunch. Credit:
CYCA | Greta Quealy.

ASSOCIATES COMMITTEE

President P. Messenger, Chair

The Associates Committee was inaugurated in September 1963 and has supported the Club ever since through the hosting of fundraising and social events. Formerly known as the Women's Auxiliary, the Committee was established by the wives of Board members who wished to contribute to the life of the Club. In its early years, this support included activities such as cleaning the Club's silverware and hosting ladies' lunches. In 2001 the Committee commissioned Hardy Brothers to create the Sheila Patrick Memorial Trophy, to be presented to women achieving their 10th Hobart race. This trophy has been awarded to over 20 women, whose names appear on the honour board in the Members Bar.

Over time, the Committee has expanded its activities to provide additional offerings for members and guests, including creating club merchandise such as tea towels, calico bags and recipe books. We have also purchased a range of different items for the club, including the bookshelf in the Members Lounge area, the Members Noticeboard, a large flatbed trolley for sails, and also a wheelchair. The Committee meets monthly to plan and organise these initiatives.

Our Annual Calendar includes Trivia Nights, Social Tuesday Lunches, Xmas Hamper Raffle, Children's Christmas Party, and assisting with the annual Crew Party and Melbourne Cup events. We're also bringing back Ladies Night in May, where we bring members and guests together in a friendly informal way. We provide support to the club over the busy Rolex Sydney Hobart race lead up, helping greet visitors and guests at reception, and decorating the club with Christmas Decorations for the festive season.

“ It was the 80th edition of the Sydney Hobart yacht race in 2025, and we celebrated with a fun filled Clubhouse Crew Party, which was a huge success.

Crew Connect, September 2025. Credit: CYCA | Ashley Dart.

CYCA Club Social Lunch. Credit: CYCA | Greta Quealy.

The event was held across the whole of the club, including the Sydney Race Village, and the newly refurbished lower deck. It was fabulous to see so many people enjoying the party, which continued into the night.

Our Christmas Hamper raffle this year exceeded all previous efforts, with a remarkable \$9,800 raised for Friends of the Mater. These funds will help provide vital services and support to patients at their cancer support centre, making a meaningful difference in their care and wellbeing. Sincere thanks to these wonderful organisations for their donations of additional prizes: Bohm Presents, The Tasting Guys, and Exeter Vineyard. We are also especially thankful to all members and guests who purchased tickets to support this cause.

It is a great pleasure to serve as President again this past year, and I am very grateful to everyone on the Committee for their ongoing dedication and commitment, whether it's selling raffle tickets, organising functions, or assisting around the club when needed. Thank you all, your efforts are truly appreciated. My thanks also go to the Board, Management and CYCA staff, for ongoing assistance and supporting our events.

2025/2026 PREMISES COMMITTEE REPORT

Director G. Antipas, Chair

The Premises Committee's principal role is to assist the Board and management in overseeing the current and future capabilities of the Club's assets, in particular its buildings, Marina, plant and equipment and ensure they meet the operational needs of the Club and its Members.

The Committee works with and advises management regarding the review of existing, and the allocation of new, Marina and hardstand licenses, as availability arises. The Committee works with management to monitor and keep up to date the Marina's by-laws, policies and berthing procedures and documentation.

The most significant project in the past year has by far been the completion of the replacement of the lower deck of the Clubhouse. This has contributed to the future proofing of a significant asset of the Club for the benefit of its Members. The new lower deck looks amazing. I would like to thank our dedicated management team for their work on this significant refurbishment project for the Club. I would also like to thank Members for their patience and support while this essential work took place.

The Marina has now reached its 25th year. While a robust preventative maintenance schedule is in place, the Club engaged an independent consultant to prepare a detailed report, including a heatmap and remediation plan. That report has been completed and it provides an extensive analysis of the Marina, with recommendations now guiding remediation works aimed at maintaining the structure for at least another 10 years before any major replacement. This will enable us to refresh the Marina structures and ensure the facility remains in excellent condition for the foreseeable future.

The Marina and hardstand, Club buildings and carparks continue to be in great shape, thanks to the ongoing commitment, hard work and attention to detail of our passionate and dedicated Marina and Operations team in overseeing and undertaking the Marina's extensive maintenance program. This includes recent upgrades to the guttering and rainwater drainage system of the

Kathleen Gillett in the CYCA pond. Credit: CYCA | Salty Dingo.

80th ROLEX Sydney Hobart Yacht Race - CYCA. Credit: CYCA | Salty Dingo.

second floor of the Clubhouse and the awning above the upper deck, addressing capacity issues during heavy rainfall.

The Club is constantly monitoring and updating its facilities, safety and sustainability measures at the Marina. The Committee worked on updates to the By-Laws and the CYCA Marina Usage Policy, which include enhanced obligations for vessel skippers.

Our multi-talented, experienced and friendly Marina and Operations team provide a broad range of services and

they are always willing to be of assistance to Members and visitors; they are an invaluable asset to the Club.

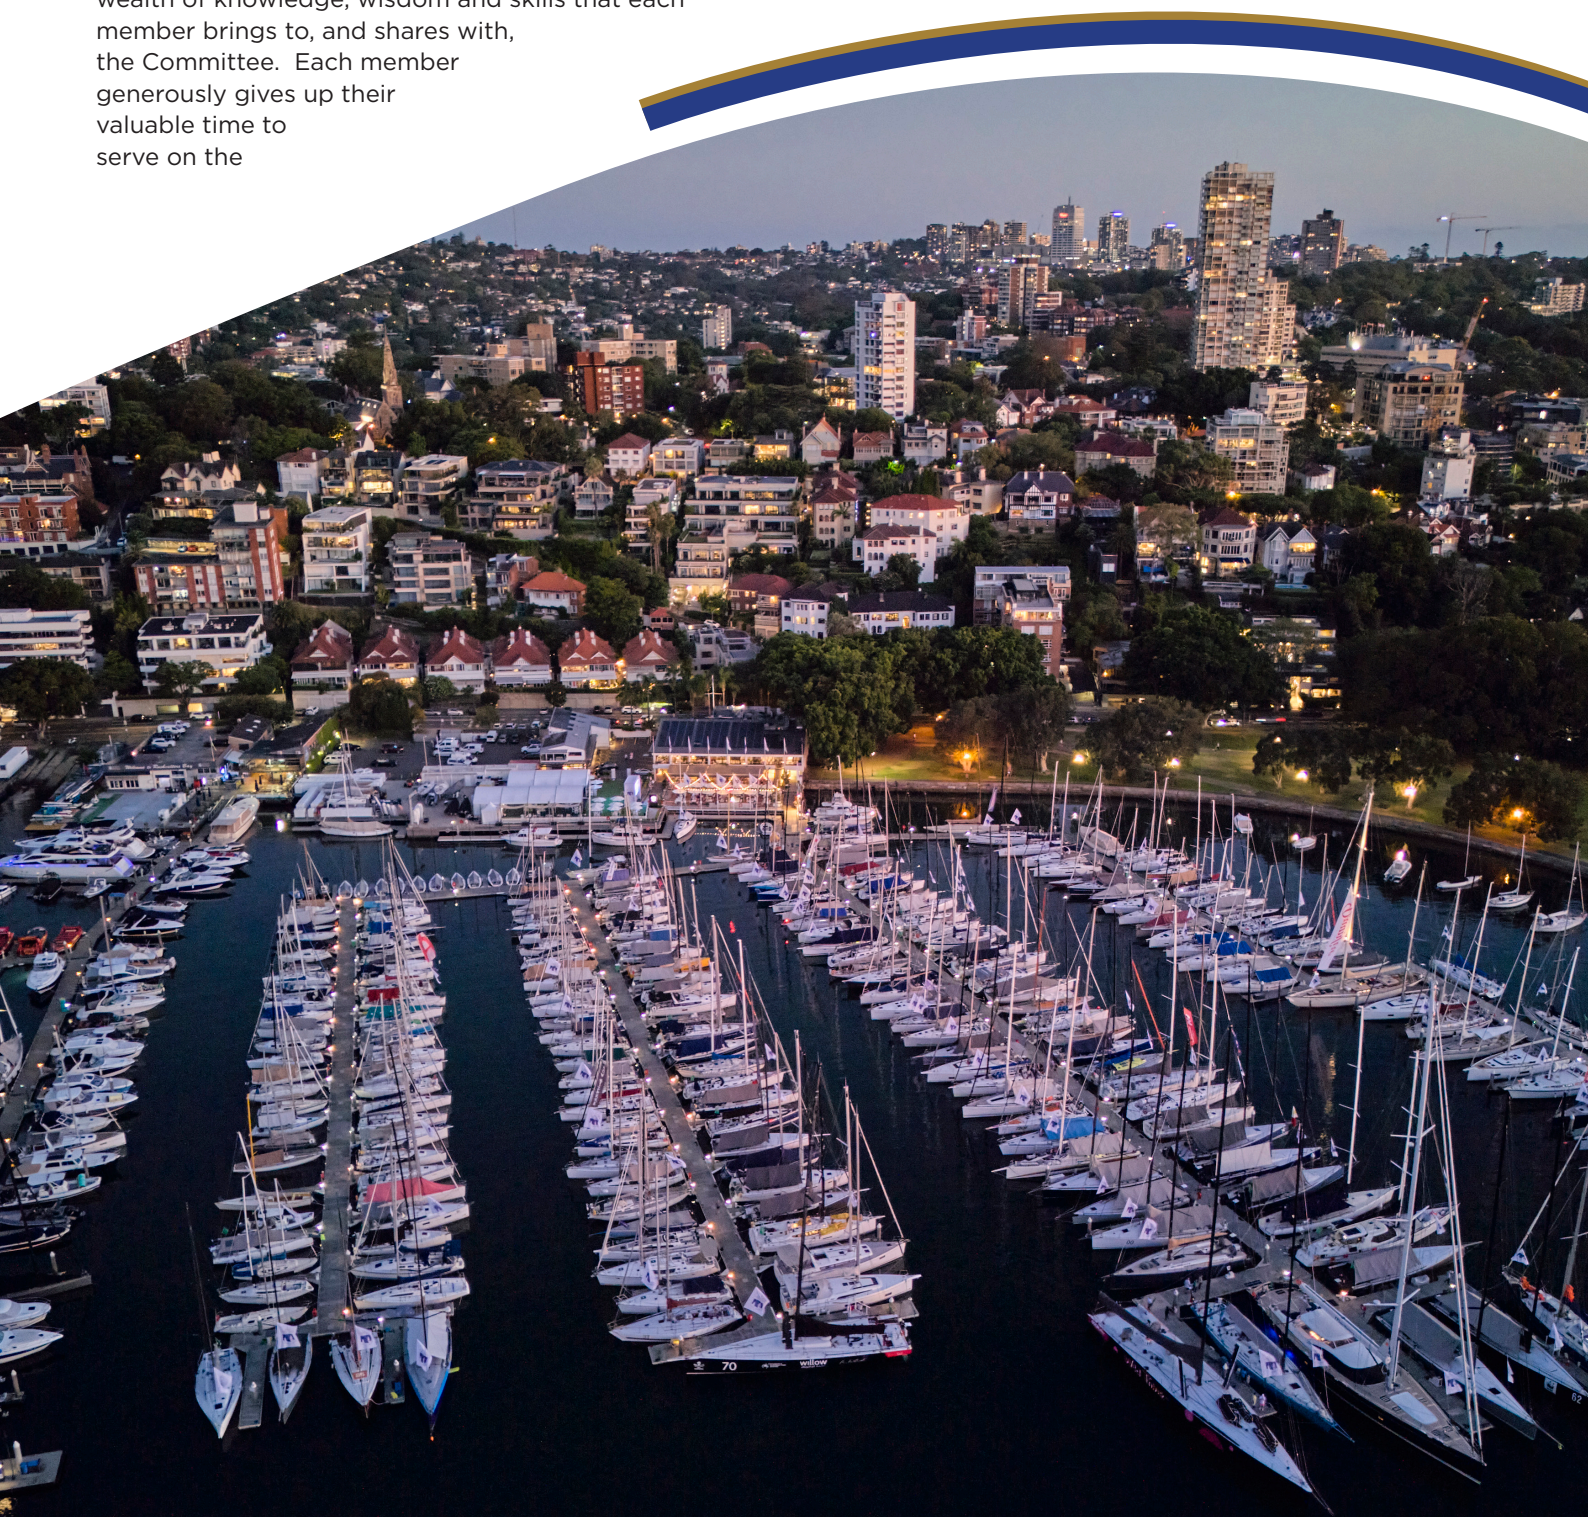

The team comprises Operations Manager Tim Ander, Marina Administrator Philip Pembroke, Assistant Operations Manager Paul Borel, and ably assisted by David Lynch, Dan Mendes, Rudi Sukiennik and Shane Nairn, with Mark Mercieca overseeing our plants and gardens. I would like to thank each of them for their dedicated and invaluable service to the Club.

I would like to also thank each member of the Premises Committee for their service: Deputy Chair and Vice Commodore David Jacobs, Treasurer Jules Hall, Director Craig Neil, Past Commodore Arthur Lane, Past Commodore and Life Member Kerry Roxburgh AM, Life Member Peter Shipway, Members Mark Dagworthy, Tom Quick, Chris Taylor, Francesca Leverkus and Stephen Girdis. The Club is extremely fortunate to have the wealth of knowledge, wisdom and skills that each member brings to, and shares with, the Committee. Each member generously gives up their valuable time to serve on the

Committee and their contribution is greatly appreciated.

The Committee meets on the second Tuesday morning of every second month with our CEO Justine Kirkjian, Tim Ander and Philip Pembroke. Commodore Sam Haynes is also a regular observer, bringing additional valuable input and oversight which is greatly appreciated. I would also like to acknowledge and thank our Administration Manager Fiona Cole for her organisational skills in ensuring the timely and efficient administration of our meetings.

It is a great privilege to serve as Chair and be part of this group of passionate, experienced and talented people.

2025/2026 SAILING COMMITTEE REPORT

Vice Commodore D. Jacobs, Chair

The 2025-26 sailing season was a season of firsts and standout performances – from the first ever female skipper and double handed entrant, Jiang Lin and co-skipper Alexis Loison (*Min River*), winning the Rolex Sydney Hobart Yacht Race to the first international Audi Centre Sydney Blue Water Pointscore (ACSBWPS) champion, Ron Epstein's *Bacchanal*. Topping this off was the 2025 Admiral's Cup, the first edition in 22 years, where the CYCA was represented by members Gordon Ketelbey and Sean Langman aboard *Zen* and *Back2Black*, respectively. There are just a few highlights of an extensive season.

Following a comprehensive review of our sailing calendar in 2024-25, the 2025-26 season saw the introduction of our Network Marine Insurance Summer Short Offshore Series and revised Night Harbour Series. The combination of the short course offshore sailing and longer passage races provided competitors with the perfect training ground to step out of the heads and into offshore racing. These new series will continue to be reviewed by our Sailing Committee to ensure we are providing the best possible opportunities for our members and competitors as well as facilitating pathways into offshore racing. In addition to these new series', Club favourites, including the Club Marine Monday Twilight Series, Wednesday Twilight Series and LGT Crestone Winter Series and Women's Winter Series were conducted, ensuring there was something for everyone throughout the season.

The 2025 Rolex Sydney Hobart was an historic edition, with Jiang Lin taking out the overall win on board *Min River*, becoming the first female skipper to

2025-26 ACSBWPS Prizegiving. Credit CYCA | Ashley Dart.

LGT Crestone Winter Series. Credit: CYCA | Dave Brogan.

2025 Captain John Piper Regatta - CYCA YSA. Credit: Ashley Dart.

win the RSHYR and the first double handed winner, alongside co-skipper Alexis Loison. Jiang participated in the first ever double handed race conducted by the CYCA and her journey to competing and winning the RSHYR is nothing short of inspiring. This win exemplified progress for women in sailing as well as the evolution of new sailing disciplines. The race also showcased elite performance over the line, with *Master Lock Comanche* securing Line Honours for the fifth time, following a highly competitive maxi battle, reinforcing CYCA's continued ability to attract and stage world-class competition.

2025 Monica Geddes Memorial Trophy. Credit: CYCA | Ashley Dart.

ACSBWPS Tollgate Islands Race. Credit: CYCA | Ashley Dart.

LGT Crestone Winter Series. Credit: CYCA | Dave Brogan.

The RSHYR was the perfect finale to the 2025-26 ACSBWPS. Ron Epstein's JPK 11.80 *Bacchanal* took out the Blue Water Pointscore, becoming the first ever international entrant to do so. *Bacchanal* was also the first Division 2 overall champion in over a decade. This half American, half Australian team may not have won an individual race overall throughout the ACSBWPS, but their consistency is what counted and led to victory at the end of the season.

The Club was proud to be represented at the Admiral's Cup in 2025, marking a significant milestone following the event's revival. CYCA fielded a highly competitive team, with Gordon Ketelbey and his TP52 *Zen* in Division 1 and Sean Langman and his GP42 *Back2Black* in Division 2. The teams demonstrated strong performances across the series, finishing an incredible fifth overall, and winning the Australia Challenge Cup. The Committee extends its congratulations to Gordon, Sean and their teams on this outstanding achievement, which is a testament to their dedication, professionalism, and skill.

Strategic Priorities

To ensure a clear and consistent direction for the season ahead, the Sailing Committee identified five key strategic priorities to guide decision-making, strengthen participation, and enhance the overall quality and accessibility of sailing across the Club. These priorities are:

1. Develop pathways to expand the number of boat owners and crew
2. Become a centre of excellence for sailing education
3. Women in Sailing
4. Reduce the barriers to entry to racing
5. Focus on the CYCA's international reputation as a blue water racing club

Priorities (1), (2) and (3) have been carried over from the 2024-25 season, reflecting the Committee's view that further development and progress is required. Priorities (4) and (5) represent new focus areas, identified as critical to the long-term growth and inclusivity of sailing. To support these, dedicated working groups have been established for both the Pathways and Women in Sailing initiatives. These groups have been tasked with

2025 Rolex Sydney Hobart - Boxing Day Start. Credit: CYCA | Ashley Dart.

2025 Captain John Piper Regatta - CYCA YSA.
Credit: CYCA | Ashley Dart.

developing practical recommendations and actions to progress each priority. These priorities are not one year priorities - they will take several years to be successfully implemented. Also to be realistic as to the resources available, the Sailing Committee has prioritised this list and is currently focused on the first three.

The Pathways Working Group has focused on building upon the existing Concierge Program, with the aim of evolving it into a more structured framework. This includes creating clearer entry points for new participants, facilitating connections between crew and boat owners, and supporting the transition of sailors through various stages of participation - from introductory experiences through to regular racing. Work is also being done to prepare the curriculum for the Offshore Sailing Academy. Similarly, the Women in Sailing Working Group is exploring initiatives to increase female participation across all levels of the sport. This includes identifying barriers specific to women, developing tailored development and mentoring opportunities, and fostering a more inclusive and supportive club environment. Across all priorities, the Committee's overarching objective is to reduce barriers to entry throughout the sailing community, improving accessibility for all participants to ensure the Club continues to provide a leading and relevant sailing program both locally and on an international stage.

Our Volunteers

The CYCA is supported by incredible teams of volunteers who enable us to not only run such an extensive sailing program but provide fantastic social events and competitor support. I would like to extend a thank you to all those who make our sailing program possible.

Without diminishing the contribution of any volunteer, there are a few I would like to specifically mention. I would like to acknowledge the outstanding contribution of the Eden community, and in particular Robyn Malcolm, to the RSHYR each year. The Eden community provides a safe and welcoming port for retired competitors, and this past year more than 10

yachts, with over 100 crew, sought refuge in the harbour. Robyn plays a central role in this support, greeting each vessel and assisting crews with accommodation, food (beer included!) and repairs. Together with CYCA representative Alan Quick, Robyn serves as a key point of contact for retiring yachts arriving in Eden. The generosity, organisation, and spirit of Robyn and the wider Eden community are integral to the success of the race, and their contribution continues to be deeply valued by all involved.

To the Sailing Committee who continue to dedicate their time, knowledge and energy to continually improving and growing our sailing program. Thank you to Past Commodore and Deputy Chair Noel Cornish, Rear Commodore Peter Gothard, CYCA Director Craig Neil, Sebastian Bohm, David Burt, Shane Connelly, Dinah Eagle, Rupert Henry, Olivia Price, Nicola Wakefield Evans and Matt Wilkinson.

To our on-water volunteers who assist with our race management and are on the water each week, ensuring our sailing program goes ahead. Thank you to Denis Thompson, Jackie Sapir, John Allan, George Astudillo, Jenni Birdsall, Eric Blake, Brian Carrick, Martin Gill, Tracey Johnstone, Andrew Martin, Daniel Richardson, Gaye Rosen, Shue Zhang, Nina Zhao, Tammy Sayer, Jane Bolster, Rose Arkin, Ellen Howard, Roger Wragby, Stuart Muirhead, Jiang Lin, Philip Dennison, Peter Franki, Taylor Redman, Brett Filby, Jules Rutledge and Bella Martin. Thank you for offering the Club your time and skills.

A sincere thank you to:

- Robert Skol and Charlie Tisher for their outstanding work as our Sailing Concierges. Their proactive and welcoming approach has been instrumental in supporting both new and existing members, helping to connect sailors, facilitate opportunities, and reduce barriers to participation.
- David Tillett and Steve Hatch for leading our international and national juries, as well as to Karl Garavan, Erica Kirby, Raymond Schwartz, Chris Taylor, Nicola Wakefield Evans and Edward Vincent.

- Our Major Race Committees, consisting of David Kellett, Noel Cornish, Marc Pavillard and Leander Klohs for their conduct of our blue water program.

Additionally, a special thank you to Lee Goddard. Lee has served as the Chair of our major race committees for five years. His leadership, sound judgement, and unwavering commitment have been instrumental to the success of the Club's blue water program, and his contribution over this period has been greatly valued. With his other commitments, Lee feels the time has come when he needs to pass the baton as Race Committee Chair. The Board has approved Marc Pavillard as the new Race Committee Chair. Marc has been a member of the ACSBWPS and RSHYR race committees for the last four years.

Our sponsors and partners are essential to our Sailing Program. I would like to extend a big thank you to our sponsors, new and ongoing, who continue to help the Club to grow and improve. Thank you to the following: Rolex, Noakes Group, Audi Centre Sydney, Club Marine, LGT Wealth Management and Network Insurance House.

Finally, I want to thank our Sailing Manager Tara Blanc-Ramos and her team Julia Pannett, Riley Evans, Chelsea Williams, Asha Goddard, Andrea Davey and Tiana Wittey for their commitment, dedication and professionalism. Allow me to repeat what I said last year: "I am sure you will agree that they are a pleasure to work with and discharge their duties with not only the above qualities but with good cheer and a "can do" approach, recognising that we participate in the sport for our enjoyment and that enjoyment starts with having a good experience with our Sailing Office"

Youth Sailing Academy Report 2025/26

The Youth Sailing Academy (YSA) had another highly successful season, continuing to produce world-class sailors across all areas of the sport.

Our Winter Squads and School Holiday Courses maintained strong attendance throughout the year. A total of 71 sailors participated in the Winter Squads, while 51 sailors took part in the School Holiday Courses. These participation numbers reflect a high level of engagement among our young members, and we're excited to continue growing into the 2026/27 season.

One of the standout achievements this year was the impressive growth of our Talented Sailor Squad, which welcomed 28 sailors. This junior squad works closely with nearby dinghy clubs to identify and nurture new talent interested in keelboat sailing and interact with our senior YSA sailors who instruct the sailors throughout the program.

In the Development Match Racing (DMR) Squad, 19 sailors participated in an extensive training block, focusing on building their keelboat and match racing skills. All squad members represented the Club at the Interclub Challenge and the Captain John Piper Regatta during the season. Excitingly, 33 sailors have applied for the DMR program in 2026.

The Advanced Squad saw 24 sailors complete the 10-month program. Nearly all members balanced their Elliott training with other CYCA racing, with 35 current and past YSA sailors competing in the 80th Rolex Sydney Hobart. We would like to make a special recognition of Nick Drummond, who was named CYCA Youth Ocean Racer of the Year for 2025/26.

The 80th Rolex Sydney Hobart fleet turns south. Credit: ROLEX | Kurt Arrigo.

Our Advanced Squad sailors had another impressive season on the water, claiming back-to-back Governor's Cup titles in Los Angeles. Cole Tapper, Jack Frewin and Hamish Vass became only the 14th team to win multiple titles in the 58-year history of the event and were the first team in 10 years to win back-to-back. The same team, with the additions of Max Brennan, Tim Howse and Kieran Bucktin then went on to win a second consecutive Warren Jones Regatta in Perth in January.

We'd also like to make a special acknowledgement to graduates from the YSA who continue to represent the Club at some of our sport's pinnacle events. A special congratulations to Andy Green who won the Admiral's Cup for Monaco as navigator on Jolt 3. Andy continued to have a hugely successful season by claiming line honours onboard Master Lock Comanche in the 80th Rolex Sydney Hobart. We'd also like to acknowledge Keiran Searle, Tom Barker and Mark Langford who were crowned 2025/26 Audi Centre Sydney Blue Water Pointscore champions onboard Bacchanal. Finally, YSA graduate Harry Price has embarked on a 49er campaign for the Los Angeles 2028 Olympic Games. With crew Max Paul, the duo made a strong start to their journey, being crowned Australian National champions at their first attempt. Congratulations to all our YSA alumni who continue to achieve these remarkable achievements.

We continued to engage with the wider community around the Club with our second International Women's Day celebration, including sailing on the Elliotts, with over 100 women joining us at the Club for this special event. For the first time we hosted Newington College for what will become an annual sailing course for their students. We were pleased to once again welcome 22

students from Eden Marine High School as a thank you to the Eden community for their contributions each year during the Rolex Sydney Hobart. Additionally, the Freedman Foundation provided students from eight regional Sydney schools with their first opportunity to experience sailing.

Finally, we would like to extend our gratitude to the following partners and foundations that make our extensive program possible: Walker Corporation, Network Marine Insurance, Club Marine, Forecast Global, Windcraft, TOGA Group, GME, Hood Sails, Noakes Boat & Shipyard, Altex Yacht & Boat Paint, Freedman Foundation, and Sun Foundation. We would also like to take this opportunity to welcome Palm Beach Motor Yachts and Mark Richards for their three year partnership as an Elliott 7m partner, as well as Ocius, who will be joining as sponsor of the NSW Youth Match Racing Championship this year. We'd like to recognise YSA graduates Nick Rozenauers, Tom Grimes and James Hodgson who proposed the YSA support to Ocius.

Additionally, the YSA would like to thank our many Members and volunteers who offer their support, assistance and time throughout the year.

2025/2026 CYCA SOLAS TRUSTS REPORT

D. Kellett AM, Chair

The CYCA Sydney Hobart Race SAFETY OF LIFE AT SEA Trusts (CYCA SOLAS TRUSTS) were established following the tragic loss of six lives in the 1998 Sydney Hobart Yacht Race. They continue to raise funds for disbursement to needy families and safety organisations.

The CYCA SOLAS Trusts have a 100% flow through to the beneficiary from donations, making the Trusts truly unique and with great impact, with administration and management costs to run the Trusts absorbed by the CYCA.

Thanks to the support of the CYCA Board, Associates Committee and The Breakfast Club, as well as the annual SOLAS dinner and the SOLAS/Rotary Regatta, interest earned on our funds, plus great support from individuals, our overall funds raised this year total \$120,000.

The Trust has distributed over \$140,000 towards several search and rescue projects in NSW and the fit out of training facilities in Marine Rescue NSW bases, assisting all levels of marine users.

The annual dinner in Sydney, with guest speaker Malcolm Page AM, dual Olympic gold medallist and newly appointed CEO of Australian Sailing, drew a capacity crowd. A

great night which raised \$30,000. The Rotary/SOLAS Regatta in November, resulted in donations totalling nearly \$25,000 towards our ongoing work. We are very grateful to the owners who so readily make their yachts available, it is wonderful support to our cause.

In closing, I wish to thank my fellow Trustees for their ongoing commitment to this great charity - Matt Allen, David Gotze, Jules Hall, Leander Klohs, Arthur Lane and Justine Kirkjian, as well as the support of the CYCA Board.

The CYCA Members should be proud of the activities of the SOLAS Trusts.

2025/2026 CYCA SAILING FOUNDATION REPORT

J. Markos, Sailing Foundation Chair

“ Through its new strategic plan developed in 2025, the CYCA Board articulated a clear intent to improve the club’s financial sustainability, noting that this cannot rely solely on the expectation of growth in existing revenue areas.

2025 Noakes Sydney Gold Coast Yacht Race. Credit: CYCA | Andrea Francolini.

It is essential that the CYCA generates new and diverse revenue streams to reduce pressure on core operations and facilitate the club’s future growth.

With this direction in place, the Boards of the CYCA and the Foundation are working alongside management to develop a strategy that will underpin new revenue streams through fundraising and partnerships that will enable both the immediate and future ambitions of the club and its members. We are excited to implement this work in the coming financial year and look forward to engaging with interested club and community members to achieve our ambitions.

2025/2026 DIRECTORS' REPORT

Your directors present their report on the Cruising Yacht Club of Australia Limited ("the Company") for the year ended 31 March 2026.

The directors of the Company at any time during or since the end of the financial year and up to the date of this financial report are:

Name and qualifications	Experience and special responsibilities
Dr Samuel Haynes BSc BVMS GCM (VP) Non-executive Director Commodore Owner - <i>Celestial</i>	Director since July 2016 Veterinarian, Sydney Animal Hospitals
David Jacobs BA, LLM Non-executive Director Vice Commodore Owner - <i>First Light</i>	Director since July 2018 Solicitor Chair, Sailing Committee Deputy Chair, Premises Committee
Peter Gothard CA, B. Bus, MBA Non-executive Director Rear Commodore Owner - <i>Quicksilver</i>	Director since August 2020 Partner, KPMG Australia Chair, Audit Planning & Risk Committee Member, Sailing Committee
Jules Hall BA (Hons) Politics Non-executive Director Treasurer Owner - <i>Disko Trooper</i>	Director since July 2022 Director and CEO, The Hallway Chair, Member Engagement Committee Member, Sailing Committee Member, Premises Committee
Tom Barker BE (Hons) Surveying & SIS Non-executive Director	Director since August 2020 Senior Manager, Accenture Australia Director CYCA Sailing Foundation since 2023 Member, Audit Planning & Risk Committee
Prof Sarah Hosking DBO, BSc (Hons), PHD Non-executive Director	Director since July 2023 CEO, Cancer Council NSW Visiting Professor, Medicine and Health, UNSW Director CYCA Sailing Foundation since 2019 Deputy Chair, Member Engagement Committee Member, Audit Planning & Risk Committee
Greg Antipas BEc, LLB (Hons), LLM, MTax Non-executive Director Owner - <i>No Doubt</i>	Director since July 2023 Barrister, Ground Floor Wentworth Chambers Chair, Premises Committee Deputy Chair, Audit Planning & Risk Committee
Craig Neil Non-executive Director Former Owner - <i>Quest</i>	Director since July 2024 Director and Chairman, Customer Driven President, Australian TP52 Sailing Association Member, Sailing Committee Member, Premises Committee

Your directors present their report on the Cruising Yacht Club of Australia Limited (“the Company”) for the year ended 31 March 2026.

Amanda Cook CA FFin FCSI Private Banker Owner – <i>Viva</i>	Director since July 2025 Private Banker – Macquarie Bank Member, Audit Planning & Risk Committee
David Griffith AM BE (Hons) Chem Eng, Patent Attorney (Retd) Non-executive Director Owner – <i>Whisper</i>	Director from August 2020 – July 2025 (Resigned) Retd CEO of ASX 200 Company. Member, Sailing Committee (Resigned July 2025) Member, Australian Sailing Offshore Owners Group IRC Congress Representative

Directors’ meetings

The number of directors’ meetings (including meetings of standing committees) and number of meetings attended by each of the directors of the Company during the financial year are:

Director	BOARD MEETINGS		STANDING COMMITTEE MEETINGS	
	Number of Meetings Attended	Number of Meetings Held	Number of Meetings Attended	Number of Meetings Held
Dr. Sam Haynes	8	8	17	27
David Jacobs	8	8	14	14
Peter Gothard	7	8	9	9
Jules Hall	8	8	13	13
Tom Barker	8	8	2	2
Greg Antipas	8	8	12	12
Prof. Sarah Hosking	4	8	9	13
Craig Neil	8	8	14	14
Amanda Cook	5	5	2	3
David Griffith AM	3	3	3	3

DIRECTORS' REPORT cont.

Principal activities

The principal activities of the Company during the financial year were to develop and deliver world-class ocean yacht racing, and to support participation, member engagement and the long-term sustainability of offshore sailing.

There were no significant changes in the nature of the activities of the Company during the year.

Objective

The Company's objective is to develop and deliver world-class yacht racing with an ocean racing focus through financial strength, operational efficiency and an engaged and active membership.

Strategy for achieving this objective

To achieve this objective, the Company had adopted the following short-term and long-term strategies:

- World-Leading Sailing Experiences - preserving its ocean racing heritage while investing in future-focused pathways that strengthen its global leadership in the sport.
- Engaged & Active Membership - cultivating a welcoming, vibrant community that balances prestigious events with a relaxed environment for connection, competition, and networking.
- Empowered People Embracing Innovation - strengthening its people, structures, and performance frameworks to drive alignment, capability, and innovation across all operations.
- Financial Sustainability - diversifying revenue streams and implement strategic funding initiatives to ensure long-term financial stability and reduce reliance on external borrowing.

These strategies helped the Company to achieve its objectives during the year as evidenced by membership retention, continuing loyal support of members and marina berth holders and our ability to attract and retain employees.

Membership

The Club is a Company limited by guarantee and without share capital. The number of members as at 31 March 2026 and the comparison with last year is as follows:

	2026 No.	2025 No.
Number of Members	3,444	3,502

Contribution in winding-up

The Company is incorporated under the Corporations Act 2001 and is a Company limited by guarantee. If the Company is wound up, the constitution states that each member is required to contribute a maximum of \$2 each towards meeting any outstanding obligations of the entity. At 31 March 2026, the total amount that members of the Company are liable to contribute if the Company wound up is \$6,888 (2025: \$7,004).

Review and results of operations

The result from ordinary activities for the year amounted to a profit of \$6,814 (2025: \$37,737 loss). This result was after charging \$1,418,584 (2025: \$1,398,201) of depreciation and amortisation.

Dividends

The Company is a non-profit organisation and is prevented by its constitution from paying dividends.

State of affairs

In the opinion of the directors, there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

Environmental regulation

The Company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the Company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the Company.

Likely developments

The directors do not anticipate any further development in the operations of the Club which will affect the results in subsequent years.

Events subsequent to reporting date

No matter or circumstance has arisen since 31 March 2026 that has significantly affected the Company's operations, results or state of affairs, or may do so in future years.

Proceedings on behalf of Company

No person has applied to the Court under section 237 of the Corporations Act 2001 for leave to bring proceedings on behalf of the company, or to intervene in any proceedings to which the Company is a party, for the purpose of taking responsibility on behalf of the company for all or part of those proceedings.

DIRECTORS' REPORT cont.

No proceedings have been brought or intervened in on behalf of the company with leave of the Court under section 237 of the Corporations Act 2001.

Indemnification and insurance of officers

The Company has provided for and paid premiums to the value of \$13,971 (2025: \$13,971) during the year for Management Liability Insurance. The insurance is in respect of legal liability for damages and legal costs within an annual limit of \$20,000,000 (subject to a sub limit of in any one insurance period) arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the company, towards which the directors of the company contribute.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

Dr. S. Haynes
Commodore
Sydney, 12 May, 2026

Indemnification of auditors

To the extent permitted by law, the Company has agreed to indemnify its auditors, Ernst & Young Australia, as part of the terms of its audit engagement agreement against claims by third parties arising from the audit (for an unspecified amount). No payment has been made to indemnify Ernst & Young Australia during or since the financial year.

Auditors independence declaration

A copy of the auditor's independence declaration as required under section 307 of the Corporations Act 2001 is set out on page 32.

Rounding of amounts

The Company is of a kind referred to in ASIC Legislative Instrument 2016/191, relating to the 'rounding off' of amounts in the directors' report. Amounts in the directors' report have been rounded off in accordance with the instrument to the nearest dollar.

This report is made in accordance with a resolution of directors.

Auditor's independence declaration to the directors of Cruising Yacht Club of Australia Limited

As lead auditor for the audit of the financial report of Cruising Yacht Club of Australia Limited for the financial year ended 31 March 2026, I declare to the best of my knowledge and belief, there have been:

- a. No contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit;
- b. No contraventions of any applicable code of professional conduct in relation to the audit; and
- c. No non-audit services provided that contravene any applicable code of professional conduct in relation to the audit.

Ernst & Young

2025/2026 NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2026

1 GENERAL INFORMATION

Cruising Yacht Club of Australia ("the Company") is a company limited by guarantee and operating in Australia.

In accordance with the Constitution of the Cruising Yacht Club of Australia, every member of the company undertakes to contribute to the assets of the company. In the event of the company being wound up, whilst he or she is a member or within one year after he or she ceases to be a member, the costs, charges and expenses of winding up may be required, not exceeding \$2 per member.

The company has 3,444 (2025: 3,502 members) members at year end.

Cruising Yacht Club of Australia's registered office and its principal place of business is 1 New Beach Road, Darling Point, NSW 2027.

2 MATERIAL ACCOUNTING POLICY INFORMATION

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated. Where necessary, comparative figures have been reclassified to conform with changes in presentation in the current year.

(a) Basis of preparation

These general-purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001. The financial statements also comply with other requirements of the law including the Registered Clubs Act. Cruising Yacht Club of Australia is a not-for-profit entity for the purpose of preparing the financial statements.

(i) Compliance with Australian Accounting Standards – Simplified Disclosure Requirements

The financial statements of the Cruising Yacht Club of Australia comply with Australian Accounting Standards – Simplified Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB).

(ii) Historical cost convention

The financial report has been prepared on the basis of historical cost, except for the revaluation of certain assets and liabilities.

Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

In the application of the Company's accounting policies, which are described within this note, management is required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

Judgments made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustments in the next year are disclosed, where applicable, in the relevant notes to the financial statements.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

(iii) New and amended standards adopted by the Company

The Company has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The other amendments listed above also did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

(b) Borrowing costs

Borrowing costs directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to

get ready for their intended use, are added to the costs of those assets, until such time as the assets are substantially ready for their intended use.

(c) Cash and cash equivalents

Cash comprises cash on hand and deposits at call. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and have a maturity of three months or less at the date of acquisition.

(d) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required, and they are capable of being measured reliably.

Liabilities recognised in respect of employee benefits expected to be settled within 12 months, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Liabilities recognised in respect of employee benefits which are not expected to be settled within 12 months are measured at the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

Long term service benefits

The Company's net obligation in respect of long-term service benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates and is discounted using rates for Government bonds at the balance date which have maturity dates approximating to the terms of the Company's obligations.

(e) Financial assets

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment.

Interest is recognised by applying the effective interest rate basis for debt instruments other than those financial assets 'at fair value through profit or loss'.

Impairment of financial assets

Financial assets, other than those at fair value through

profit or loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that as a result of one or more events that occurred after the initial recognition of the financial asset the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets except for trade receivables where the carrying amount is reduced through the use of an allowance account. When a trade receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

(f) Financial instruments issued by the company

Debt and equity instruments

Debt and equity instruments are classified as either liabilities or as equity in accordance with the substance of the contractual arrangement.

Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

(g) Impairment of other tangible and intangible assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(h) Income tax

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues as a sporting club predominately encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly, tax effect accounting has not been adopted by the Company.

(i) Leases

The Company leases the land and marina at 1 New Beach Road, which expires in on 30 June 2049. In the prior

year, the Company rented equipment, which was made for a fixed period of 5 years (Nil this year).

Contracts may contain both lease and non-lease components. The Company allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the company is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions.

The lease agreements do not impose any covenants other than the security interests in the leased assets that are held by the lessor. Leased assets are used as security for borrowing purposes.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable.
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date.

The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security, and conditions.

To determine the incremental borrowing rate, the Company:

- where possible, uses recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received, and
- make adjustments specific to the lease, e.g., term, country, currency and security.

The Company is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. When adjustments to lease payments based on an index or rate take effect, the lease liability is reassessed and adjusted against the right-of-use asset.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant

periodic rate of interest on the remaining balance of the liability for each year.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability,
- any lease payments made at or before the commencement date less any lease incentives received, and
- restoration costs.

Variable lease payments

Lease payments for some contracts include CPI increases, but there are no other variable lease payments that depend on an index or rate. Where considered necessary to reduce credit risk, the company may obtain bank guarantees for the term of the lease.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

(j) Trade receivables

Impairment of financial assets

The Company applies the AASB 9 Financial Instruments simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off by reducing the carrying amount directly. An allowance account (provision for impairment of trade receivables) is used when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables. The amount of the impairment allowance is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short term receivables are not discounted if the effect of discounting is immaterial.

The amount of the impairment loss is recognised in profit or loss within other expenses. When a trade receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

(k) Inventories

Inventories are valued at the lower of cost and net realisable value. Net realisable value represents the estimated selling price less all estimated costs of completion and costs necessary to make the sale.

(l) Property, plant and equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. If settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including buildings on leasehold land. Depreciation is calculated on a straight-line basis to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight-line method.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period, with the effect of any changes recognised on a prospective basis.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of comprehensive income.

The following estimated lives are used in the calculation of depreciation.

Leasehold improvements	5 – 33 years / term of the lease
Boats	2 – 15 years
Plant and equipment	2 – 30 years
Motor vehicles	8 years

(m) Intangible assets

Costs associated with maintaining software are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Company are recognised as intangible assets where the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use
- management intends to complete the software and use it
- there is an ability to use the software
- it can be demonstrated how the software will generate probable future economic benefits
- adequate technical, financial and other resources to complete the development and to use the software are available, and
- the expenditure attributable to the software during is

development can be reliably measured.

Capitalised development costs are recorded as intangible assets and amortised from the point at which the assets are ready to use.

(n) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within negotiated terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(o) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

(p) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) because of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, considering the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, the carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received, and the amount of the receivable can be measured reliably.

Site restorations - make good provision

The Company is required to restore some of the leased premises to their original condition at the end of the respective lease terms. A provision has been recognised for the present value of the estimated expenditure required to remove those leasehold improvements. These costs have been capitalised as part of the cost of leasehold improvements and are amortised over the shorter of the term of the lease and the useful life of the assets.

(q) Revenue from contracts with customers

Revenue from contracts with customers is recognised when a contractual promise to a customer (performance obligation) has been fulfilled by transferring control over the promised goods or services to a customer.

The amount of revenue to be recognised is based on the consideration the Company received or expects to receive on exchange for its goods or services and that the contract has commercial substance, and collection is probable for collection. Amounts disclosed as revenue are net of returns, trade allowances and rebates.

Revenue is recognised for the major business activities using the methods outlined below:

A five-step process is applied before revenue is recognised:

- identify contracts with customers,
- identify the separate performance obligation,
- determine the transaction price of the contract,
- allocate the transaction price to each of the separate performance obligations, and
- recognise the revenue as each performance obligation is satisfied.

Goods sold and services rendered

Revenue from the sale of goods comprises revenue earned from the provision of food and beverage and other goods and is recognised in the statement of comprehensive income when the significant risks and rewards of ownership have been transferred to the buyer. Revenue from services to members and other patrons of the Company is recognised in the statement of comprehensive income when the services are provided. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due; the costs incurred or to be incurred cannot be measured reliably; there is a risk of return of goods; or there is continuing management involvement with the goods.

Subscriptions

Subscription fees are accounted on an accruals

basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

Marina and hardstand

The marina and hardstand revenue includes casual and permanent berthing fees, hardstand fees, locker fees and tender fees provided to members and other patrons of the Club. Yard and marina revenue is recognised when the goods or services are provided.

Sailing revenue

Sailing revenue consists of training fees, race entry fees, sponsorship, and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue.

Rental income

Rental income from property is recognised on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

Interest revenue

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

(r) Other income - Bequests

Bequests are recognised when the legacy is received. Income from legacies comprising bequests of shares or other property are recognised at fair value, being the market value of the shares or property at the date the group becomes legally entitled to the shares or property.

(s) Goods and Services Tax (GST)

Revenues, expenses, and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) Make good provision

This provision represents the present value of the directors' best estimate of the future sacrifice of economic benefits that will be required to settle the site restoration make good obligations pursuant to the company's lease of land and waterways. The estimate has been made on the basis of a cost estimate obtained from a Quantity Surveyor which has been projected to a future value using an escalation rate. The escalation rate is the equivalent of CPI and, where applicable, additional escalation for specific elements of the leased property. The discount rate applied to bring this future value back to its present value carrying amount is based on the incremental borrowing rate.

4 Revenue from contracts with customers

	2026	2025
	\$	\$
Revenue from sale of goods – bar, food and merchandise sales	5,168,700	5,433,277
Revenue from rendering of services – berthing, hardstand, and sponsorship	6,787,605	6,673,326
Revenue from race entry	567,877	502,870
Subscription revenue	1,732,812	1,686,046
Rental income (including function room rental)	210,958	205,347
	14,467,952	14,500,866

(a) Disaggregation of revenue from contracts with customers

The Company derives revenue over time and at a point in time as follows:

	2026	2025
	\$	\$
<i>Timing of revenue recognition</i>		
At a point in time	5,736,577	5,936,147
Over time	8,731,375	8,564,719
Total revenue	14,467,952	14,500,866

(b) Assets and liabilities related to contracts with customers

Make good provision (ii):	7,227,827	6,984,758
	7,274,863	7,042,842

Information about individual provisions and significant estimates:

(a) Employee benefits

The provision for employee benefits relates to Cruising Yacht Club of Australia's liability for long service leave and annual leave.

(b) Site restoration make good provision

Cruising Yacht Club of Australia is required to restore the leased sites to their original condition at the end of the respective lease terms. The provision for make good is based on estimates provided by experts in make good and recognised at its present value. No change in estimate has been recognised in the current year.

Movements in provisions

Movements in each class of provision during the financial year, other than employee benefits, are set out below.

	2026 \$	2025 \$
<i>Current year site restoration make good provision movement:</i>		
Balance at 1 April	6,984,758	6,749,475
Unwind of discount	243,069	235,283
Balance at 31 March	7,227,827	6,984,758

14 Borrowings

	2026 \$	2025 \$
<i>Current</i>		
Bank loans (i)	-	-
	-	-

(i) Terms and conditions of Bank loans

The company did not hold any loans. The Company is not subject to any covenants.

15 Leases**(a) Amounts recognised in the balance sheet**

The balance sheet shows the following amounts relating to leases:

	2026 \$	2025 \$
Right-of-use assets		
Land	4,104,928	4,188,220
Marina	6,860,148	7,537,794
Make good assets	1,695,216	1,768,129
	12,660,292	13,494,143
Lease liabilities		
Current	354,178	153,452
Non-current	11,987,597	12,583,491

Amendments to the right-of-use assets during the current financial year was a reduction of \$289,322 (2025: reduction \$2,588,016), reflecting the change in future land and marina lease payments.

(b) Amounts recognised in the statement of comprehensive income

The income statement shows the following amounts relating to leases:

	2026 \$	2025 \$
Depreciation charge of right-of-use assets		
Land	176,556	172,711
Marina	295,060	310,835
Make good assets	72,912	72,912
Equipment	-	19,134
Statement of comprehensive income	544,528	575,592
Interest expense (included in finance cost)	432,722	461,267
The total cash outflow for leases was	538,566	883,303

16 Retained profits

	2026	2025
	\$	\$
Balance at 1 April	5,985,487	6,023,224
Total recognised income and expenses	6,814	(37,737)
Balance at 31 March	5,992,301	5,985,487

17 Financial instruments**(a) Capital risk management**

The capital structure of the company includes cash and cash equivalents and retained earnings.

The company was freed from any encumbrances during the year.

(b) Categories of financial instruments

	2026	2025
	\$	\$
Financial assets		
Trade and other receivables	149,073	151,804
Cash and cash equivalents	1,253,022	1,225,946
Financial liabilities		
Borrowings	-	-
Trade and other payables	1,463,838	1,521,653

The carrying amount reflected above represent the Company's maximum exposure to credit risk for such loans.

Other payables include Marina security deposits.

17 Financial instruments (cont.)

(c) Financial risk management objectives

The Directors manage the financial risks relating to the operations of the company. These risks include credit risk and liquidity risk. The company does not enter in to or trade financial instruments, including derivative financial instruments, for speculative purposes.

(d) Market risk

The company's only exposure to market risk is the effect of changes in interest rates which would affect interest received. There has been no change to the company's exposure to market risks.

(e) Liquidity risk

Ultimate responsibility for liquidity risk management rests with the board of directors. The company manages liquidity risk by maintaining adequate cash balances and monitoring forecasts and actual cash flows. The following table details the company's remaining contractual maturity for its non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities including interest based on the earliest date on which the company can be required to pay.

Financial Liabilities	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2026							
Fixed interest rate							
Borrowings	0.0%	-	-	-	-	-	-
Non-interest bearing							
Trade and other payables		574,199	133,551	-	756,089	-	1,463,839
		574,199	133,551	-	756,089	-	1,463,839
2025							
Fixed interest rate							
Borrowings	0.0%	-	-	-	-	-	-
Non-interest bearing							
Trade and other payables		750,973	65,584	-	705,096	-	1,521,653
		750,973	65,584	-	705,096	-	1,521,653

17 Financial instruments (cont.)

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets except where the company anticipates that the cash flow will occur in a different period.

Financial Assets	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2026							
Variable interest rate							
Cash and cash equivalent	-	1,253,022	-	-	-	-	1,253,022
Non-interest bearing							
Trade and other debtors	-	123,321	2,775	22,977	-	-	149,073
	-	1,376,343	2,775	22,977			1,402,095
2025							
Variable interest rate							
Cash and cash equivalent	-	1,225,946	-	-	-	-	1,225,946
Non-interest bearing							
Trade and other debtors	-	133,054	18,750	-	-	-	151,804
	-	1,359,000	18,750	-			1,377,750

(f) Fair value

The carrying amount of the financial assets and financial liabilities represents a reasonable approximation of fair value.

(g) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. To the extent the Company has a receivable from another party there is a credit risk in the event of non-performance by that counterparty. Financial instruments, which potentially subject the Company to credit risk solely consist of trade and other receivables. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The carrying amount of the financial assets recorded in the financial statements, net of any allowances for losses, represents the company's maximum exposure to credit risk, without taking account of the value of any collateral obtained. The Company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics.

18 Cash flow information

	2026	2025
	\$	\$
Reconciliation of net cash flows to operating activities:		
Profit/(Loss) for the year	6,814	(37,737)
Depreciation and amortisation expense	1,418,584	1,398,201
Loss on sale of property, plant and equipment	219	9,062
Interest income	(21,370)	(29,642)
Finance costs on lease liabilities	432,722	461,267
Changes in net assets and liabilities:		
Decrease / (Increase) in trade and other receivables	2,731	81,953
Decrease / (Increase) in inventories	(1,755)	25,442

19 Key management personnel

The following were key management personnel of the Company at any time during the reporting period, and unless otherwise indicated, were for the entire period:

Non-executive Directors

S. Haynes; D. Jacobs; P. Gothard; T. Barker; J. Hall; S. Hosking; G. Antipas;
C. Neil; A. Cook (Appointed July 2025); and D. Griffith AM (Resigned July 2025)

Executive

J. Kirkjian; and B. Punter

Transactions with key management personnel

Non-executive directors have not received any remuneration from the Company during the year. The key management personnel compensation included in "Employee and employment expenses" are as follows:

	2026	2025
	\$	\$
Short-term employee benefits	624,670	588,654
	624,670	588,654

Apart from the details disclosed in this note, no director has entered into a material contract with the company or since the end of the previous financial year and there were no material contracts involving directors' interests existing at year-end.

20 Related Parties

(a) Transactions with key management personnel

Transactions with key management personnel are disclosed in Note 18 to the financial statements.

(b) Transactions with other related parties

Other related parties include:

- CYCA SOLAS Limited
- CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

The Company is the sole member of CYCA SOLAS Limited; a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee. As at 31 March 2026 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$nil (2025: \$nil). The assets of the trust are sufficient to meet this commitment. In the event CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

(c) Payments to related parties

- Donations payable to the CYCA SOLAS Trust during the year were \$52,000 (2025: \$52,000). Expenses paid on behalf of the CYCA SOLAS Trust during the year were \$nil (2025: \$nil).

21 Contingent liabilities

The company has given the following bank guarantees:

	2026	2025
	\$	\$
NSW Department of Industry	220,000	220,000
Roads and Maritime Services	81,136	81,136

22 Auditor's remuneration

	2026	2025
	\$	\$
Audit services		
Audit and review of the financial report	52,177	52,580
	52,177	52,580

The auditor of Cruising Yacht Club of Australia for the year ended 31 March 2026 and 31 March 2025 was Ernst & Young.

23 Going Concern

The financial statements have been prepared on a going concern basis, which assumes the continuity of normal business activity and the realisation of assets and the settlement of liabilities in the ordinary course of business.

As at 31 March 2026, the Company was in a negative working capital position of \$2,028,246 (2025: negative working capital of \$1,737,650) and the Company recorded a profit of \$6,814 for the year then ended (2025: loss of \$37,737). The Company however continued to be in a net asset position of \$5,992,301 as at 31 March 2026 (2025: \$5,985,487) and continued to generate operating cash inflows of \$2,185,936 for the year then ended (2025: operating cash inflows of \$2,105,404).

The current liabilities recognised in the financial statements include Income in advance of \$1,267,122 (2025: \$1,130,325) and Marina security deposits of \$756,088 (2025: \$705,096), which while generally refundable with 90 days of notice, are rolled over for many years. It is deemed that the Income in advance and Marina security deposits are purely accounting balances and will not result in future cash outflows to the Company.

The continuing viability of the Company and its ability to continue as a going concern and meet its debts and commitments as and when they fall due are dependent upon the Company being successful in achieving sufficient future cash flows to enable its obligations to be met. The Company has prepared a cash flow forecast for twelve months from the date of signing these financial statements which indicates that the Company will generate adequate operating cash flows to pay their commitments as and when they fall due. Furthermore, whilst the Company is planning for future capital expenditure, these Board approved plans can be deferred and have therefore been excluded from the cash flow forecast.

The Company's directors believe that the Company will be successful in the above matter and, accordingly, have prepared the financial report on a going concern basis.

The financial statements do not include adjustments relating to the recoverability and classification of recorded asset amounts, or to the amounts and classification of liabilities that might be necessary should the Company not continue as a going concern.

24 Subsequent events

No matter or circumstance has arisen since 31 March 2026 that has significantly affected the Company's operations, results or state of affairs, or may do so in future years.

25 Consolidated entity disclosure statement

Disclosure of subsidiaries and their country of residency, as required by subsection 295(3A) of the Corporations Act 2001, does not apply to the Company as the Company is not required by accounting standards to prepare consolidated financial statements.

2025/2026 DIRECTORS' DECLARATION

for the financial year ended 31 March 2026

In the directors' opinion:

- (a) the financial statements and notes set out on pages 33 to 53 are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with Australian Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements, and
 - (ii) giving a true and fair view of the company's financial position as at 31 March 2026 and of its performance for the financial year ended on that date;
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable; and
- (c) the consolidated entity disclosure statement required by section 295(3A) of the *Corporations Act* is true and correct.

This declaration is made in accordance with a resolution of the directors.

Independent auditor's report to the members of Cruising Yacht Club of Australia Limited

Opinion

We have audited the financial report of Cruising Yacht Club of Australia Limited (the Company), which comprises the statement of financial position as at 31 March 2026, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including material accounting policy information, the consolidated entity disclosure statement and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- a. Giving a true and fair view of the Company's financial position as at 31 March 2026 and of its financial performance for the year ended on that date; and
- b. Complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to audits of the financial report of public interest entities in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial report and auditor's report thereon

The directors are responsible for the other information. The other information is the directors' report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Shape the future
with confidence**

Responsibilities of the directors for the financial report

The directors of the Company are responsible for the preparation of:

- ▶ The financial report (other than the consolidated entity disclosure statement) that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*; and
- ▶ The consolidated entity disclosure statement that is true and correct in accordance with the *Corporations Act 2001*; and

for such internal control as the directors determine is necessary to enable the preparation of:

- ▶ The financial report (other than the consolidated entity disclosure statement) that gives a true and fair view and is free from material misstatement, whether due to fraud or error; and
- ▶ The consolidated entity disclosure statement that is true and correct and is free of misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Liability limited by a scheme approved under Professional Standards Legislation

**Shape the future
with confidence**

- ▶ Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
